— 2023 Spot Products

*Create the first fast fashion
brand in the luggage industry*

Pretty Arts Products Co., Ltd. was established in 2004 with a registered capital of over one million. It is an industrial and trade integration company specializing in warehousing, cutting, printing, sewing, quality inspection and packaging. The main base covers an area of more than 120,000 square meters and has nearly 100 excellent employees. It mainly provides OEM production for major brands such as Europe, America, Australia and Japan.

After more than ten years of rapid development, PRETTYARTS has established Changshu Branch, Yancheng Branch and so on. And set up sales companies in the United States, Europe, and Japan. In different product areas, PRETTYARTS registered the trademarks of 3 series of PRETTYARTS, ROTANET and Haha Pets, and created a multi-style development path of OEM and independent brands.

Based on the principle of “product is king, customer first”, the company has established a strict quality quality inspection system and passed the international brand certification system (Coca-Cola / Starbucks), and also the BSCI, SEDEX, FAIRWEAR and organic cotton product GOTS certified factory.

Coca-Cola

Coca-Cola

Coca-Cola is the largest beverage company in the world. In 2013, we were honored to stand out in the global supplier selection of Coca-Cola with excellent factory environment, fast delivery capacity and 6S enterprise management system. In 2014, we obtained the global green Factory certification of Coca-Cola for the first time. It is also one of the few companies to get green certification of Coca-Cola three times in a row. Since the cooperation, we have customized various bags for Coca-Cola. Such as travel storage, outdoor supplies, backpacks, cooler beach supplies, and the textile supplies. Coca-Cola sponsored the World Cup, European Cup.

Häagen-Dazs

Haagen-Dazs and our company met in 2019. Haagen-dazs has got a worldwide reputation, and has always held the concept of high quality, raw material. We also uphold all the supply of Haagen-Dazs bags are selected for the concept of environmental protection materials to produce all kinds of insulation bags, with a number of factory certification, perfect factory equipment quality service spirit, we finally crowded into the supplier list of Haagen-Dazs, and become a long-term partner of them. We will continue to play the advantages of our bags and move forward with Haagen-Dazs together.

STARBUCKS®

Starbucks

Starbucks is the world's premier specialty coffee roaster and retailer. It has more than 32,000 stores worldwide . Not all factories are qualified to work with Starbucks. Due to our preference for bags and bags inherent superior own conditions: a variety of certification such as TCCC,SEDEX,BSCI,GOTS... , efficient production capacity, good communication and service, StarBuck coffee finally picked us in 2018 . We like to be the exclusive supplier of bags and carried out the in-depth factory inspection of Starbucks, and the cooperation with Starbucks has continued until now. Now, when you go to online stores or offline cafes to buy Starbucks capsule coffee, the bags are from us!

NESPRESSO®

The story with NESPRESSO starts in 2019. That year we invited customers to visit our factory. After a one-day inspection, the American customers saw that we had made customized processing cases and bags for many brands, and signed the contract on the same day. Due to our factory's perfect collocation facilities, rapid response capacity and high cost performance, we have experienced in-depth cooperation with Nestle for three years since the first order in 2019, and the output value of nestle's customized order alone has reached tens of millions of yuan from hundreds of thousands. Thank you for your trust, we will continue to refuel ourselves , and do a good job for every bag of Nestle.

An aerial view of a city skyline at dusk, with a blue overlay. The word "THANKS" is written in large, white, sans-serif capital letters across the center. Below it, the sentence "Integrity creates quality and innovation leads the future" is written in a smaller, yellow, sans-serif font. The background shows a dense urban landscape with various buildings, including a prominent skyscraper on the left and another on the right.
